CAREER SUMMARY

Shaun Brady is an Associate with Goodman Real Estate Services Group LLC. He is a well-known and respected developer, builder, and consultant. Shaun's experience provides him with a thorough understanding of the entire real estate transaction, from site selection and municipal approvals to construction, leasing, and sales. He has been in construction since 1989 and is currently the managing member of Brady Development as well as an owner in various development projects and several businesses. Throughout the course of his career, Shaun has developed, built, managed, sold, and leased many properties. He has also developed multiple residential projects and built over 150 custom homes. Since 1998, Shaun has focused on commercial construction, development, management, and sales and leasing. He has also consulted non-profit and for-profit businesses, and he has structured real estate deals for development and purchase or sale. Shaun has often obtained municipal approvals on behalf of these clients. Shaun served for four years on Avon City Council and was council president for two of those years. This diverse experience helps Shaun bring an extremely creative and collaborative approach to the real estate brokerage business. Currently, he is leasing and selling various types of real estate, including land, and retail, medical, and office buildings. Shaun also consults business owners regarding various real estate requirements.
